ADVICE TO MOTHERS.—Mrs. Winslow's Soothing Syrup should always be used for children teething. It soothes the child, softens the gums, allays the pain, cures wind colic and is the best remedy for diarrhoea. Twenty five cents a bottle.

A Ball at Cook's.

There will be a grand ball at Cook's Park on Saturday evening, April 25th. Tickets to hall, \$1.00 Supper 50 cents extra. Good music and a good time will be the order of the evening. a14td

Greater Bargains Than Ever.

Crockwell is selling Crayon Enlargements at never-heard-of prices and is giving away a 14x17 Crayon Bust with every dozen Cabinets. His stay is limited. Call and see samples at Marston's Gallery.

ALL SORTS.

Washoe and Churchill are the only counties in Nevada that increased in population since 1880. Lander lost 1,382, Eureka, 3,811 and Storey 7,369 in the last decade.

The extra advertising edition of the APPEAL promises to be well patronized—by Reno people. If Carson merchants don't get around lively there will be very little space left.

Complaint has again reached the APPEAL office that Mr. Lind is up with the lark borrowing APPEALS off other people's door ways. This paragraph is merely thrown in to give Mr. Lind something interesting to read.

The editor of the Oroville Mercury is kicking because a shapely female apposite his office forgets to pull down the blinds when she disrobes for a bath. He probably had to do the typesetting while the printers quit work.

Several suits have been tried in California recently between mud-headed Boards of Supervisors and daily newspapers. The newspapers have invariably won, getting judgment for full amount with costs.

The State Medical Society of California has resolved that heart failure, fever and some other terms, shall not hereafter be recognized as satisfactory indications of the cause of death. They regard them as vague as to say one died for the want of breath. But what will those doctors do who are unable to tell the cause of death and are unwilling to ascribe fatality to their own treatment.

Register.

The Registry book for the city election close this evening at 6 o'clock. Over 500 names are now on the list and everybody is rushing to get a chance to vote on the Australian ballot plan.

For Sale.

Household furniture consisting of chairs, tables, beds and bedding, first-class organ, sewing machine and all other necessary furniture, for a dwelling house. Will sell all or part at a bargain. Apply to Henry Morrison, or at this office. ap21 lw

To The Public.

I have secured the best pasture in Eagle Valley for this season, and will take milk cows at \$3 cash, per month. No extra charge for driving stock. I respectfully solicit patronage and I guarantee satisfaction. D. S. ULLRICK. m 26

Sandrock and Millard, practical plumbers and gasfitters, have opened a shop in Dick Mills' old stand South Carson St., and propose to do all work in their line at prices so low that you don't have to mortgage your property to pay them. Stoves and ranges and all kinds of tinware on hand, at very reasonable rates. Razors and scissors sharpened. j31tf.

A. Livingston now practically controls the wholesale liquor trade of the city. He is continually adding to his stock and sells only standard brands. He is also introducing some excellent California wines to the people of Carson, as well as foreign and domestic cigars of the finest quality. Drop in and inspect his stock. d 13 tf.

Golden has secured a first-class watch-maker and jeweler, who worked for Geo. C. Scierles & Co. for years in San Francisco. Take your watches and jewelry there and have them repaired right.

Miller & Co. have a carload of furniture on hand, which they will sell for 30 days cheaper than ever sold in Carson. a17,5t

Caldwell and Weaver will depart for Hawthorne today on a dental trip, and will return in about two weeks.

For the next 30 days a reduction of 10 to 20 per cent. on every price of goods at Golden's to reduce the immense stock of goods on hand. Call and secure bargains. m 6

WANTED—Few more members for the Watch Club, at Frank Golden's. Commences May 1st a7tf

THE WAR OF THE MEDICOS.

Dr. Herdan Slambangs His Adversary.

ED. APPEAL—SIR: I notice in your issue of yesterday a card which is the most peculiar I ever saw coming from a man claiming to be a physician.

I never before heard of a regular physician who got up in public and after culminating another physician, whom he has never met, and offered to bet money on his opinions.

If there is anything wanting to stamp the man as a humbug it is the one proposition.

Now I do not regard his offer seriously but I will agree to donate \$250 to any public institution on each of the propositions he names, if he will donate a like sum for each he fails to prove true, or I will give the money to the heirs of his patients or the patients themselves if any of them are still living.

I would not reply to his card at all if it were not a duty I owe to many of my patients who read the APPEAL.

I do not regard him as a competent man to judge of the linguistic abilities of anyone, any more than he would be a judge of ones medical abilities.

I will publicly debate with him on any medical proposition and agree to conduct my end of the debate in ten different languages.

His knowledge of medicines I am compelled to assume, is like the shares in the London and San Francisco Bank (limited).

M. I. HERDAN, M. D.

Rara Avis at Bishop Creek.

Louis Munsinger, President of the Alfalfa Brewing Co., (limited) of Bishop Creek, had a severe practical joke played on him a few days ago by one of the drummers for Brown & Co., of San Francisco.

He had a gander which was given him and it was shut up in a small shed.

One night the drummer slid in and making a nice nest of straw, deposited two goose eggs in the same, (stolen from an adjoining ranch) and each night about 1 o'clock the drummer would deposit a fresh egg in the nest.

Munsinger was so delighted over the feat of the gander that he wrote to a dime museum in San Francisco to see what they would give for the bird.

Munsinger's son is ready to swear that he saw the gander lay the eggs.

A Soft Thing.

Justice Hawthorne has about the softest thing of anybody. He has about a hundred swarms of bees working for him all summer.

They get up at sunrise and after feeding on other people's clover, they lug home the honey at night, and in the fall each swarm has salted down about \$20 worth of honey which Hawthorne nails and sells. He pays them no wages and they find themselves. If this is not a soft snap we would like to have some one point out some easier way of raking in money with comparatively no effort.

Tony Dias Kicks.

ED. APPEAL—SIR: I would like to ask you if the city authorities have any right to impound animals that simply break out of corals and are only at large for a few minutes?

A few days ago I let a mare out to water in my hay-yard when the colt rushed out of the gate and the mare followed it. I rushed out as quick as I could but it was too late the Sheriff had nabbed it and I had to pay \$2 50 to get it out of the pound.

TONY DIAS.

Cemetery Water.

At the annual meeting of the Board of Directors of the Cemetery Water Works, April 13, 1891, it was Resolved, that all persons wishing water for irrigation, the present season will be required to pay for the same on or before May 7, 1891, for the season of five months from May 7, to October 7. The Superintendent will not water any lot except in compliance with this resolution. ap23td

BREYFOGLE MINES.

The Fever Spreading and Miners Going.

The Chloride Bel. of the 18th inst. says: The Breyfogle fever is spreading. A man named Collins arrived in Palmetto this week with \$1,800 in gold, which he claimed to have pounded out in a mortar in the ten days in which he was in the new district.

C. Shaber and A. McArthur leave for Breyfogle in the morning.

M. J. Plamenaz, J. McNulty V. Coschina and C. Ferrero, start Tuesday next.

J. Knapp and another man whose name we could not learn started for the scene of excitement Wednesday last.

By wagon road the Breyfogle mine is 200 miles from Candelaria.

The road is a good one, water being within a day's journey in all cases except between Amagosa and Ash Meadows, a distance of 55 miles where it is necessary to pack it. Nevada miners will find Candelaria a good place to start from.

Shenandoah.

"Shenandoah," Bronson Howard's greatest triumph and record breaker will begin a limited engagement of one night Friday April 24, at the Carson Opera House. The play comes direct from its second great New York run with the exact original New York cast, scenery and effects, that have characterized its success wherever it has been presented.

This comedy drama of Bronson Howard has aroused such general interest since its first production that its plot as it now stands is appended, the original story having been revived since the first American performance of the piece, Nov. 19, 1888, at the Boston Museum. It had been acted Nov. 15, 1888 for the English copyright at the Elephant and Castle Theatres, London. At Washington during a grand social event at the residence of Gen. Haverhill, Col. Kerchival West, who is staunchly loyal to the Union, meets and falls in love with Gertrude Ellingham, a warm-hearted but hot-headed little Southerner, whose relatives cast their lot with the cause of the Confederacy.

If you want to see the balance of the plot be at the Opera House Friday evening.

Tried to Escape.

Yesterday morning a trusty named Scotty, sent from Storey county for robbery, attempted to escape. He was acting as a trusty, and bidding good bye to his guard, started out through the sagebrush. Guard Reed fired two shots. Word was sent to the Warden, who started out with ex-Sheriff Ullrich and soon had their man. He thus loses his credits, and will have to serve his full term, three years.

A Treat For All.

Dr. Selah W. Brown, the noted Chatagua Lecturer, has been secured by the Carson High School Debating Society, to deliver a series of his interesting lectures at Odd Fellows' Hall, April 22, 23, 24 and 25.

As he has been several times around the world, his original and instructive lectures will be of much interest to all.

All school students are entitled to the course of four lectures for half price, 50 cents, Course tickets, Adults, \$1.00. Admission 35 cts., Children, 20 cts. Tickets may be secured from any member of the Debating Society.
